

THE GUIDANCE CENTER

The Guidance Center provides mental healthcare, early childhood programs, and family support services throughout Cambridge, Somerville, and nearby communities. As a service of Riverside Community Care, we offer an integrated range of flexible services that wrap around the entire family. Our goal is to provide support for the child and the entire family, in the child's home or their local school. We work collaboratively with pediatricians and other providers as well.

The Guidance Center Board of Advisors

Anil Gullapalli, *Co-Chair*

Ellis Seidman, *Co-Chair*

Hitesh Trivedi, *Co-Chair*

Borja Alvarez de Toledo
