

Blue Jean Ball Fundraiser

Join us on November 8th for our **7th Annual Blue Jean Ball**, benefitting Riverside Community Care. This **unique fundraiser**, held at the Wellesley Country Club, combines dinner with **incredible live and silent auctions** and **authentic blues music**. This year's act, **The Lee Boys**, are one of America's finest sacred steel ensembles – **get ready to dance the night away in your blue jeans and jewels!**

Last year, the Ball **sold out early**, and raised over **\$170,000** for Riverside's programs and services. Make sure you get your tickets early, and help us increase the fun (and funds) at this great fundraiser!

"Riverside's Blue Jean Ball is a 'not to be missed' annual event combining great food, a stunning venue and the most sought after blues musicians in the nation all into one fabulous evening! Riverside Community Care touches so many in New England from all walks of life; supporting and attending the Blue Jean Ball is a delightful way to enjoy an evening with friends and family and to donate to a dynamic organization."

-Linda Snyder, Riverside Board member

Riverside At-A-Glance

- Riverside is one of Massachusetts's **largest non-profit, community-based, healthcare and human service providers**. Our budget is \$62 million and we operate in much of eastern and central Massachusetts, and beyond.
- Each year, we provide more than **40,000 adults, children and adolescents** with mental healthcare, specialized youth services, addiction treatment, and developmental disability and brain injury services. We also provide services to communities following traumatic events such as teen suicides, terrorism and natural disasters.
- We are local, integrated, flexible, and operate at a low cost. Riverside is a valued resource in over **70 communities across the Commonwealth**, demonstrated by our high ratings from the people we serve, their families, and referral sources.
- On a daily basis, Riverside works closely with hospitals, primary care physicians, and medical practices. Our reputation is one of growth and innovation as we fill the gaps in service that our partners can't provide on their own.

Key Services

Mental Health Services, Developmental and Cognitive Disability Services, Addiction Treatment, Early Childhood Services and Trauma Response Services
