

COMMUNITY BEHAVIORAL HEALTH CENTERS

For MassHealth and Optum Members

Mental health and substance use care – available 24/7

If you need help with mental health or substance use challenges, Riverside CBHCs offer a single stop for high-quality services. Offering a team approach with counselors, case managers, peer supports, recovery coaches, and nurses, the CBHC offers:

- Same-day mental health assessment
- Same-day substance use assessment
- Walk-in appointments for urgent behavioral healthcare
- Immediate response in a behavioral health crisis
- Medication Assisted Treatment (MAT)
- Follow-up appointments for routine and recovery care

Accessible, convenient, comprehensive

Outpatient Care

- Available weekdays 8am-8pm, weekends 9am-5pm
- Therapy and psychiatry appointments
- Nurses to offer wellness screenings and coordinate lab referrals
- Group therapy and peer support
- On-site laboratory

Mobile Crisis Intervention

Instead of a long wait in an emergency room, our highly-trained mobile crisis responders can meet over the phone, at home, at school, at our CBHC, or in another community setting.

Crisis Stabilization

Our home-like overnight facilities within the community offer a safe place to stay following a crisis intervention, as an alternative to in-patient hospital admission when clinically appropriate.

Other CBHC advantages

- Telehealth and community service delivery
- Real-time language translation, including ASL
- Culturally competent staff
- Coordination with primary care, Riverside, and outside services
