

Riverside Community Care

Leading the Way in Behavioral Healthcare & Human Services

PBS External Resource Links

External links to PBS resources, templates, and training sites

External PBS links to support implementation and staff training, including templates, learning opportunities, and DDS guidance on Mass.gov.

[PBS Consultation for DDS-Funded Organizations \(May Institute\)](#)

Includes templates and tools such as PBS action plans, fidelity inventories, leadership team guidance, sample roles, training slides, outcomes and evaluation supports, and quality of life screening tools.

[Mass PBS Community of Practice](#)

Offers provider trainings, a self-assessment and PBS roadmap, public resources, member examples, and subscription updates.

[Mass PBS Community of Practice: Training Site](#)

Online learning modules include introductions to PBS, management strategies, the PBS Learning Lab, clinical trainings, and advanced PBS concepts.

[Positive Behavior Supports \(PBS\) \(Mass.gov\)](#)

DDS reference documents on this page include MA PBS regulations; leadership team, universal, targeted, and intensive tier guidance; action plan and functional behavior assessment guidance; behavior safety plan guidance; peer review guidance and checklist; crisis prevention and restraint training standards; and post-restraint debriefing guidance.

Additional resources are also available on the Mass.gov PBS page.
